I. PROTECTIVE HEADGEAR WARNING

—

I have been fully warned and advised that every Rider must have and wear protective headgear (an approved riding helmet), and that the wearing of such headgear while mounting, riding, dismounting, and otherwise being around horses, may prevent or reduce severity of some head injuries and even prevent death from happening as the result of a fall or other occurrence.

In the event that a participant of any program affiliated with Dream On Curls Riding Center, INC chooses to bring and use their own helmet – that participant and all family release and hold harmless Dream On Curls Riding Center, INC and all staff and volunteers of any liability of accident which stems from personal riding helmets and/or gear. Permission for participant to wear and use personal head gear is at discretion of Instructor at Dream On Curls Riding Center INC.
